MINI-SPLIT SYSTEMS RUNNING AT PEAK PERFORMANCE

The QwikClean Mini-Split Cleaning Kit is a complete, ready-to-use solution for cleaning mini-split systems. This all-in-one kit includes essential products for routine maintenance, helping ensure your units remain free of dirt, debris, and buildup.

INCLUDED IN EACH KIT:

- ▶ QwikClean Foaming Coil Cleaner
- ▶ QwikClean Protective Coil Rinse
- ▶ QwikClean Waterproof Mini-Split Cleaning Bag
- ▶ Fitted Drain Tube
- ▶ QwikProducts Service Bucket

FOAMING COIL CLEANER POWER

The heavy-duty alkaline formula of the QwikClean Foaming Coil Cleaner is tough on grime, but safe for use on all mini-split coils.

PROTECT YOUR MINI-SPLIT COILS

The QwikClean Protective Coil Rinse spray is a ready-to-use formula that not only removes leftover cleaner but also leaves a protective shield coating, helps neutralize pH levels, and adds a fresh lemon scent—keeping your mini-split system clean, protected, and refreshed.

KEEP YOUR SURROUNDINGS CLEAN

This kit includes a bag, bucket, and tube to ensure that any runoff and debris is neatly collected and can easily be disposed of.
